

# Privacy Policy VaultysID

Effective Date: 01/04/2024

Welcome to VaultysID! Your privacy is fundamental to our mission of providing a secure, zero-password authentication service. This Privacy Policy outlines our practices regarding the absence of personal information collection and the safeguards we have in place.

## Information We Do Not Collect

VaultysID is committed to not collecting any personal information from our users. This includes, but is not limited to, names, addresses, email addresses, phone numbers, and any form of identifiers that could compromise user identity.

## Purpose of No Data Collection

The purpose behind not collecting any personal information is to ensure the highest level of security and privacy. VaultysID leverages FIDO2 and PassKey technology to offer secure authentication methods without the need for personal data storage.

## Security Measures

Our commitment to not collecting data is part of our broader security measures. By ensuring that no personal information is stored or processed, we significantly reduce the risk of identity theft and unauthorized access.

## Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page and updating the "Effective Date" at the top.
